tietohallinnon johtamisen ammattilaiset

ILF (ICT Leaders Finland) affiliated with CIO Nordics is an independent association of CIOs, not committed to any specific framework, model, or method and nonprofit in nature. Out of ILF's 14 board members, 11 have worked or currently work as CIOs.

ILF is a member of the Finnish Information Processing Association. With expertise, neutrality, and independence, ILF is a natural partner for conducting this research with CIO Nordics.

CIO Nordics is conducting a Swedish study with the assistance of Tomi Dhalberg, Chairman at ICT Leaders Finland (ILF) - a similar study conducted in Finland in late 2023.

Tomi Dahlberg is an ex-CIO with 15+ years experience as a CIO, the honorary chairman of ILF and an Information System Science professor at Turku School of Business. He will calculate the average perceived importance of each matter from the responses and will present the results with comments at the CIO Nordics event on the 16th April at Grand Hotel in Stockholm.

# TECH TOPICS

---

We are Industry led!

As we drive at warp speed towards single digital spaces, cloud migration, automation, and Web 3.0, we take a moment to consider the pragmatic implications as well as the undeniable benefits of the digital transformation journey. Through peer-to-peer learning and networking from some of the finest IT leaders in the region, we explore industry specific digital challenges and topics from manufacturing and construction, retail, financial services, energy and healthcare.

Tech topics include:

Sustainability within the Manufacturing and Construction Sector

An Eye To The Future With Generative AI

Current Economic and Political Challenges with IT & Security

Cybersecurity

# WHAT IS CIO NORDICS?

CIO Nordics is an invitation only industry agnostic event focusing on key topics within the IT sector including cloud migration, digital transformation, automation, artificial intelligence and more.

On the 16th April 2024, join us at The Grand Hotel, Stockholm. CIO Nordics responds to the current regional challenges across various industries.

The event includes:

Space in the main networking area including company graphics, power socket, furniture and lights with a full day of live content from tech industry experts within the Nordic region.

Brand exposure for your company including logo on the stage, invitations and all pre and post show marketing materials.

A full day of networking with leading IT experts from enterprise to mid sized companies within the region- all coffee breaks, networking lunch and the end of event networking drinks will be served in the main exhibition area for maximum networking opportunities.

CIO NORDICS | 16TH APRIL 2024 | STOCKHOLM | GRAND HOTEL
