

SAVOY

CIO UK&I

23RD MAY 2023 | LONDON | THE SAVOY

TECH TOPICS

As we drive at warp speed towards single digital spaces, cloud migration, automation and Web 3.0, we take a moment to consider the pragmatic implications as well as the undeniable benefits of the digital transformation journey.

Through peer to peer learning and networking from some of the finest IT leaders in the region, we explore industry specific digital challenges and topics from manufacturing, retail, financial services, oil and utilities, healthcare and government.

Tech topics include:

Digital transformation

Cyber security

Technology architecture in modern workspaces

Open banking

AI, Web 3.0 and Cloud Migration

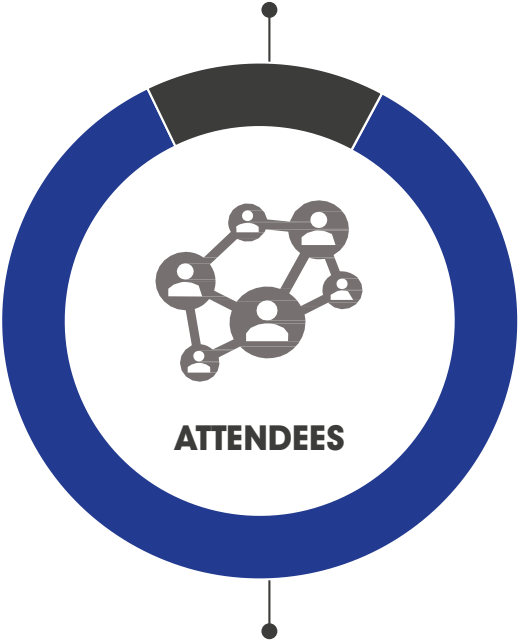

Digital care systems

WHAT IS CIO UK&I?

CIO UK&I is an invitation only industry agnostic event focusing on key topics within the IT sector including cloud migration, digital transformation, automation, artificial intelligence and more.

On the 23rd May 2023, join us at The Savoy Hotel, London. CIO UK&I responds to the current regional challenges across various industries.

The event includes:

Space in the main networking area including company graphics, power socket, furniture and lights with a full day of live content from tech industry experts within the UK&I region.

Brand exposure for your company including logo on the stage, invitations and all pre and post show marketing materials.

A full day of networking with leading IT experts from enterprise to mid sized companies within the region- all coffee breaks, networking lunch and the end of event networking drinks will be served in the main exhibition area for maximum networking opportunities.
