WHAT IS CIO MIDDLE EAST?

CIO Middle East is an invitation only industry agnostic event focusing on key topics within the IT sector including cloud migration, digital transformation, automation, artificial intelligence and more.

On the 5th December 2023, join us at Shangri-La, Dubai. CIO Middle East responds to the current regional challenges across various industries.

Exhibiting at the event includes:

Space in the main networking area including company graphics, power socket, furniture and lights with a full day of live content from tech industry experts in the Middle East.

Brand exposure for your company including logo on the stage, invitations and all pre and post show marketing materials.

A full day of networking with leading IT experts from enterprise to mid sized companies within the region- all coffee breaks, networking lunch and the end of event networking drinks will be served in the main exhibition area for maximum networking opportunities.

For more information please contact Rebecca.symonds@citrussevents.net to discuss the available opportunities.
